

Bruce Spiegel joins Remedy Compensation Consulting

San Diego, June 1, 2008, **Bruce Spiegel** has joined [Remedy Compensation Consulting](#) as the senior leader of the firm's [Survey practice](#). In this new position, he will be responsible for overseeing Remedy's annual and custom survey production; and will be focused on expanding the client base through the development of additional products and services. He will be based in Phoenix, Arizona.

[Jeremy Anderson](#), a Principal for Remedy Compensation Consulting, said: "We're absolutely delighted that Bruce has chosen to join us. With his background and proven experience, we are confident he will take our survey practice to the next level. Over the years, he has had an excellent track record of building profitable compensation consulting and technology practices and developing strategic alliances."

[Ken Wechsler](#), a Principal for Remedy Compensation Consulting, said: "Remedy is committed to establishing and maintaining market leadership in compensation consulting and information in the life sciences and broad technology industries, and the addition of Bruce underscores our commitment. As a former colleague and client, I am excited that he will help us create and execute growth strategies through new products/services, sales channel development and management."

Most recently, **Bruce Spiegel** was Managing Director of Innovacomp, LLC, a consultancy engaged in providing thought leadership and strategic relationship development to businesses involved in compensation-related software and websites. Over the previous 25+ years, he served in leadership positions at Workscape, ACS, Aon, Mercer, Towers Perrin and Hay.

About Remedy

Remedy is a leading compensation consulting firm specializing in the life sciences and broad technology industries. Remedy partners with private, pre-IPO and publicly traded companies that are intent on improving the link between their people, how they are paid and how that ultimately translates into company success. Clients benefit from fact-based consulting advice rooted in industry experience. For more information, visit www.remedycomp.com.
